This department, which is one of the most important in the museum, has charge of all the documents which are printed relative to it. It is at present preparing, in commemoration of Mexicos centennial, which will begin in September, a number of volumes which will treat of the different plans which were formulated for the countrys emancipation from Spain, the operations of the war initiated by Hidalgo, the newspapers and other documents published by the insurgents, and interesting documents relative to Mexicos heroine of the war of independence, Leona Vicario. The department of publications has printed some very interesting books relative to the history and archaeology of Mexico, which space forbids mentioning in detail, but which may be procured by writing to the director, Lie. Genaro Garcia, Museo Nacional, Mexico, D. F. Library. The library is situated on the lower floor, a few steps from the main entrance, and the books which it contains are classified in perfect order, so that it is an easy matter for the person wishing to look up any certain point in history, archaeology, or ethnology to get full and complete data at very short notice. The writer is indebted for much of his data to Lie. Genaro Garcia, the director of the museum, and to Senor M. Jimenez De Sandi. CULLUM MEDAL TO THE ARGENTINE SCIENTIST, DR. F.P.MORENO V..
