

Film Censorship in the Asia-Pacific Region: Malaysia, Hong Kong and Australia Compared (Routledge Advances in Asia-Pacific Studies)

Film censorship has always been a controversial matter, particularly in jurisdictions with restrictive state-based censorship systems. This book reviews the film censorship system in the Asia-Pacific by comparing the systems used in Malaysia, Hong Kong and Australia. It identifies the key issues and concerns that arise from the design and implementation of the system by examining the censorship laws, policies, guidelines and processes. The book evaluates film practitioners and censors opinion of, and experience in, dealing with those issues, and goes on to develop reform proposals for the film censorship system.
