

The Sibling Society: Papers presented at the Robert Bly Colloquium

The Sibling Society is an edited collection of papers presented at the Robert Bly Colloquium at Kent State University. This work brings together traditional disciplines- English, Psychology, Sociology- but the outcome is unusual in that there is no one school of thought. These papers make a statement about a culture and society that is evolving and multifaceted. The conference attracts an eclectic scholarship and is unusual in the number and kinds of disciplines it folds in. Readers will benefit from the various perspectives in social commentary and criticism. This collection is of interest to psychologists, sociologists, mental health care counselors, and all scholars in the humanities.
